#### Dear Chairman Puno:

The PNP intends to separate the Regional Intelligence and Investigation Division (RIID) to make it more effective and efficient in its field of specialization.

Part of this proposed separation is the renaming of the Regional Intelligence and Investigation Division (RIID) into Regional Intelligence Division and Regional Investigation and Detective Management Division, Restructuring of Unit including the Staffing Pattern for Uniformed Personnel and Functional Chart.

The separation prescribes to support the following:

- a. Reshape the way in which the affected police officers will perform their task;
  - b. Promote career growth and development among eligible officers;
  - c. Have their own mandated task distinctive of each other;
  - d. An aggressive role in Internal Security Operations (ISO);
  - e. Check-in-balance between the two (2) Divisions;

- g. Ensure that professional standards are maintained in each area of expertise; and
- h. Coordination between NHQ (DI and DIDM) with counterpart at the RHQ will be effective and efficient because of clear demarcation of functions.

In this regard, attached for consideration of the commission is NHQ-PNP General Orders Number DPL 06-11 providing for the separation of the Regional Intelligence and Investigation Division (RIID) into Regional Intelligence Division (RID) and Regional Investigation and Detective Management Division (RIDMD).
